

**1. Basic Information:**

|  |                                |                        |                   |
|--|--------------------------------|------------------------|-------------------|
| <b>Course title:</b>                               | Histology                      |                        |                   |
| <b>Course code:</b>                                | 1202                           |                        |                   |
| <b>Department:</b>                                 | Histology                      |                        |                   |
| <b>Program on which the course is given:</b>       | MBBCh program                  |                        |                   |
| <b>Faculty:</b>                                    | Faculty of Medicine            |                        |                   |
| <b>University:</b>                                 | University of Benghazi         |                        |                   |
| <b>Academic level:</b>                             | <b>Level:</b> Phase 1 / Year 2 | <b>Year:</b> 2021-2022 |                   |
| <b>Prerequisite:</b>                               | Histology 1                    |                        |                   |
| <b>Credit hours:</b>                               | <b>Lecture:</b> 76             | <b>Practical:</b> 44   | <b>Total:</b> 120 |
| <b>No. of staff members delivering the course:</b> | 23                             |                        |                   |
| <b>Approval date:</b>                              | 2022                           |                        |                   |

**2. Specialized Information:****2.1. Statistics:**

|    |  |                |             |             |             |
|----|--|----------------|-------------|-------------|-------------|
| 1. | No. of students registered the course:     | 972            |             |             |             |
| 2. | No. of students completing the course:     | 711            |             |             |             |
| 3. | Results %:                                 | 73.14%         |             |             |             |
| 4. | Grading of students completing the course: |                |             |             |             |
|    | <b>Excellent</b>                           | <b>V. Good</b> | <b>Good</b> | <b>Pass</b> | <b>Fail</b> |
|    | 145  | 152            | 217         | 197         | 261         |

**3. Students' evaluation:**

|   |                                  |              |
|---|----------------------------------|--------------|
| 1.  | Course contents                  | <b>67%</b>   |
| 2.  | Lectures and Learning facilities | <b>65.8%</b> |
| 3.  | Staff Member                     | <b>78.2%</b> |
| 4.  | Exam                             | <b>71.4%</b> |
| <b>Total</b>  |                                  |              |
| <b>Student Comments (if any):</b>   |                                  |              |
| <ul style="list-style-type: none"> <li>• Enhance practical application</li> <li>• Laboratory maintenance</li> <li>• Adding interactive teaching methods such as problem-based learning, team-based learning, and presentations</li> </ul> |                                  |              |

**4. Achieved and non-achieved actions from previous year:**

| No. | Action required in order of priority                                     | Person responsible                    | achieved           | non-achieved |
|-----|--|---------------------------------------|--------------------|--------------|
| 1   | Further enhancement of communication between students and teaching staff | Teaching staff of department          | Partially achieved |              |
| 2   | Updating lab curriculum  | Teaching staff of department          | √                  |              |
| 3   | Plan to restart lectures and lab in the college                          | Course Coordinator and teaching staff | √                  |              |
| 4   | Perform oral exam as usual   | Course Coordinator and teaching staff |                    | √            |

**5. Action plan:**

Action plan for next academic year

| No. | Action required in order of priority   | Person responsible   | completion date |
|-----|--|----------------------|-----------------|
| 1   | Application of TBL as formative assessment and interactive learning strategy | Curriculum committee | 2022-2023       |
| 2   | Updating the course specification according to NARS 2017                     | Curriculum committee | 2022-2023       |
| 3   | Application of integration level 5   | Curriculum committee | 2022-2023       |
| 4   | Perform oral exam as usual   | Curriculum committee | 2022-2023       |
| 5   | application of practical exam  | Department council   | 2022-2023       |
